Job Description

Are you passionate about quality control and eager to make a significant impact in a dynamic work environment? We are seeking a dedicated **Quality Assistant Officer** to join a team in Bidadi. If you have a keen eye for detail, excellent problem-solving skills, and a commitment to maintaining the highest quality standards, we want to hear from you!

Position: Quality Assistant Officer

Location: Malur, Karnataka

Key Responsibilities:

- **Quality Inspection & Approval:** Conduct and approve line quality inspections.
- **Patrol Inspection & Issue Management:** Perform patrol inspections and manage quality issues.
- **Handling NG Parts:** Manage and dispose of non-conforming parts.
- **QMS Knowledge:** Basic understanding of QMS ISO 9001 & IATF 16949 systems.
- **Measuring Instruments:** Proficient in using Rockwell hardness tester, density meter, microscope, Vernier, micrometer, dial indicators, and height gauge.
- **Quality Defect Analysis:** Conduct internal quality defect analysis and prepare 8D reports.
- **Documentation:** Prepare and maintain internal and customer inspection reports.

- **Continuous Improvement:** Basic knowledge of Kaizen, Poka-Yoke, and FIFO systems.

Skills and Specifications:

- Proficiency in Microsoft Office Tools (Excel, Word, PPT).
- Hands-on experience with measurement systems, including GD&T measurement.
- Ability to understand and interpret engineering drawings.
- Excellent communication and presentation skills.
- A good team player with a result-oriented approach.
- Knowledge of quality control methods, tools, and techniques.
