Job Description

Job Description:

Job Title: LSV/Executive

Department: In-house Logistics

Location: Sricity - Andhra Pradesh

Reporting to: Manager/Sr. Manager

Position Type: Full time

Roles & Responsibilities:

- Ensure that there are no safety incidents occurring on-site.
- Plan, manage, and align manpower effectively with established objectives.
- Optimize team performance through efficient utilization and motivation.
- Oversee inventory management to guarantee the availability of consumables on a weekly basis.
- Implement countermeasures and conduct thorough 5W analyses.
- Prepare daily reports to track progress and performance.
- Develop case simulations and create new simulation scenarios.
- Focus on customer satisfaction while identifying opportunities for cost savings.
- Demonstrate proficiency in problem analysis and root cause identification, followed by effective implementation.
- Provide training for new personnel on safety, quality standards, company policies, discipline, and core job functions.
- Utilize SAP, MIS, and GRN systems for data processing and management.
- Plan for packing, receiving, and dispatching operations.
- Conduct both on-the-job and off-the-job training for new employees.
- Train staff in case handling and container loading procedures.
- Manage put-away processes, lot segregation, and table preparation.
- Develop a skill matrix through targeted training initiatives.
- Ensure that empty dispatches align with the daily plan.
- Maintain responsibility for implementing 5S practices.

Educational Qualification:
Graduate or Postgraduate in SCM or any other equivalent qualification.

2 - 5 years of relevant experience.

Preferred Skills:

- SAP 9 (WMS & MM) and Cargo Wise software are utilized for effective management.
- The generation of management information system reports is essential.
- Packaging development is crucial for new projects.
- Strong communication skills are necessary for successful collaboration.
