Job Description

Summary:

We are seeking a skilled and experienced Quality Assurance Engineer (QA) to join our dynamic team. As a QA Engineer, you will play a crucial role in ensuring the quality and reliability of our travel booking platform, "skyticket". You will be responsible for designing and executing test plans, conducting thorough testing, and collaborating with cross-functional teams to identify and resolve issues.

Responsibilities:

- Develop and execute test plans for software development projects
- Conduct manual and automated testing to identify and report defects

- Collaborate with developers to resolve defects and improve code quality
- Stay up-to-date with the latest testing methodologies and tools
- Contribute to the development and maintenance of our quality assurance processes
- Participate in root cause analysis to identify and address recurring issues
- Proactively identify potential risks and implement mitigation strategies
- Work with project managers and other stakeholders to ensure that quality objectives are met

Additional Opportunities:

- Gain experience in modernizing and globalizing a service with over 7 million monthly active users (MAU)
- Develop your skills as an engineer in a global environment
- Collaborate with offshore teams - Gain management experience, if desired

Technology Stack:

Front-end: Vue.js, React, jQuery

Backend: PHP, Go, Java

Database: MySQL, PostgreSQL, Cloud Spanner, Redis

Infrastructure: GCP, AWS

Editor/IDE: Visual Studio Code

Our Mission:

Driven by Based on our mission of balancing business and social contribution, we have developed and operated "skyticket", a travel booking site that allows users to search and reserve affordable airfare and hotels.

Our Achievements:

- Over 20 million downloads of our app since its release in 2015
- Profitable even during the COVID-19 pandemic, demonstrating resilience across the travel industry
- Record-breaking profits achieved in June 2023
- Expansion to 6 subsidiaries overseas
- Our Global Workforce :The percentage of international employees hired exceeds 50%, we are fostering a truly global development environment.

Why Join Us?:

- Embrace a Global Environment

Join a team of talented individuals from Amazon headquarters, Accenture, Salesforce, and our Future Creator talent acquisition program.

Thrive in a multicultural environment, working in both Japanese and English, enhancing your soft skills and increasing your market value.

- Drive Innovation and Growth

Be part of a company that actively creates new businesses, having launched three new services since 2023.

Contribute to cutting-edge AI solutions that are shaping the future of travel.

- Seize Opportunities for Career Advancement

Develop your global expertise and gain valuable experience that will set you apart in the job market.

Take on challenging projects and make a real impact on our company's success.

In today's rapidly evolving landscape where AI is playing an increasingly prominent role, simply coding skills are no longer enough to guarantee market value.

For those seeking a global challenge and the opportunity to make a difference, "skyticket" offers a wealth of opportuni
