Job Description

Our client is in the business of global trading and investment with presence in more than 10 countries. As part of the business expansion, the team is looking for a full-time Project Finance Manager to join the team. This role will assist the General Manager to improve and standardize internal processes to achieve better business efficiency and productivity.

Responsibilities:

- Understand the current business processes, practices and standards
- Identify issues on existing processes for areas such as payment, letter of credit, foreign exchange operations, daily cash management and reporting methodology
- Work closely with the General Manager to investigate root causes and draft new processes to standardize the processes across the APAC regions.
- Collaborate with the internal stakeholders from trade finance team and propose advanced trade finance scheme that

helps with operational efficiency.

- Act as an advisor to trade finance/treasury team when issues arise

Requirement:

- Degree in Business/Commerce/Accounting or Qualified Accountant
- At least 10-year working experience in **trade finance / treasury space**
- Experience in **business operational improvement, system and process enhancement / process standardization is a must for this role**
- Knowledge in **SAP HANA** preferred
- Excellent communication skills and strategic thinking
- Overseas travelling is required for this role (1-2 times per quarter)

If you are interested in the role, please click apply / submit your application to kherxin.tan@jac-recruitment.com

Please note that only shortlisted candidates will be contacted, thank you.
