Job Description

We are seeking a Business Development Analyst, proficient in Japanese and English, to join our Energy & Natural Resources department in Tokyo.

Client Details

The company is a large organization in the Energy & Natural Resources industry. With its headquarters in Tokyo, it prides itself on innovation, sustainability, and delivering exceptional services to its clients worldwide.

Description

- Conduct comprehensive business analysis in the Energy & Natural Resources sector.
- Develop and maintain relationships with key stakeholders and clients.
- Contribute to strategic planning and execution.
- Prepare and deliver presentations to communicate strategies and results.
- Utilize Microsoft 365 family to manage and analyze data.
- Collaborate with cross-functional teams to achieve company objectives.
- Ensure compliance with industry standards and regulations.
- Keep abreast of trends and changes in the Energy & Natural Resources industry.

Job Offer

- A competitive salary package estimated to be between JPY 8M and JPY 12M.
- Full social insurance and pension.
- Commuting allowance.
- Performance-based bonus.
- A collaborative and innovative company culture in the Energy & Natural Resources industry.

We encourage candidates who believe they can contribute to our team and lead us to new heights to apply. This is an exciting opportunity to work in Tokyo and be part of a large organization that values growth and development.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Francois Fleury at +81 3 6832 8674.

Required Skills

A successful Business Development Analyst should have:

- A degree in Business, Economics, or a related field.
- Fluency in Japanese as a native speaker and Business English.
- Proficiency in Microsoft 365 family.
- A strong understanding of the Energy & Natural Resources industry is preferable.
- Excellent communication and presentation skills.
- Strong analytical and problem-solving abilities.

Company Description

The company is a large organization in the Energy & Natural Resources industry. With its headquarters in Tokyo, it prides itself on innovation, sustainability, and delivering exceptional services to its clients worldwide.
