Role Summary

UWC ISAK Japan is a three-year international, fully boarding high school and part of the United World Colleges movement. Our campus is located in the resort town of Karuizawa, Nagano, Japan, and our campus is home to 200 students from 80+ different countries, as well as world-class faculty and staff from Japan and around the globe.

The School Nurse supports and promotes the health, safety, and well-being of students and the school community, as well as

encouraging healthy behaviors and implementing preventative measures and activities. The nurse is responsible for cooperating with other faculty and staff, in addition to working with external medical staff. There may be the possibility of living on the school campus in the future. It would be advantageous if an applicant is prepared to be 'on call' during non-business hours in coordination with the other nurses. An additional allowance would be paid for this. For the right candidate this could be a Head Nurse position.

Key Relationships

This position will work closely with other nurses at Health Center. Work with the entire community such as Staff and Faculty based on the day-to-day topic. And also with the local medical institutes.

Reports to and supervised by: Deputy Head of School for Pastoral

Estimated Start Date:

As soon as possible. One-year contract open to renewal.

Schedule/Hours

This is a full-time, year-round position at the UWC ISAK Japan campus in Karuizawa, Japan. Evening and weekend work (on-call) should be expected, especially during peak season.

*UWC ISAK Japan is located on the outskirts of Karuizawa, in a quiet residential community. Due to the school's location, employees must have a driving license.

Salary and Benefits

- Salary will be determined based on experience. Estimated range 4-4.5 million JPY(before taxes/withholding).
- Health insurance through the Shigaku Kyosai (Private School Mutual Aid) health plan
- Free lunch in the school cafeteria on weekdays during the school year
- Annual paid leave (Nurse is expected to work during school holiday breaks on a rostered basis if students remain on campus)
- Professional development allowance (100,000 JPY / year)
- Employer provided technology including laptop and smartphone
- Commuting allowance
- The school covers fees for obtaining a Health Supervisor license.

Main Areas of Responsibility:

- Manage UWC ISAK Japan's onsite health center serving students, faculty, and staff
- Work closely with the Deputy Head of School for Pastoral to decide annual budget for the health center
- Work with the other nurses, who are also full-time members of the department, providing training and support for each other as and when needed.
- Collaborate with other nurses to ensure that nursing shifts are scheduled effectively, maintaining full staffing levels at the Health Centre.
- Prepare and update required documentation for the new student enrollment process. This may be required over the summer break
- Coordinate with healthcare providers outside of campus for students, faculty and staff as needed
- Translate for ISAK community with doctors/medical personnel at hospitals/clinics/medical providers
- Serve as liaison between the school, family, and community healthcare providers to ensure a healthy school environment
- Serve as consultants with counselors and faculty for medical questions
- Provide medical health check-ups and vaccinations based on the School Health and Safety Act and MEXT requirements
- Monitor immunizations, manage communicable diseases/allergies, and assess the school environment including the cafeteria to prevent injury and ensure safety
- Providing healthcare to students, staff, and faculty with acute or chronic health problems

- Oversee community infection control measures and actively participate in creating school safety plans for any health emergencies that may occur on campus
- Oversee medication administration, health care procedures, and the development of healthcare plans
- Make decisions related to the delegation of healthcare tasks as directed by state laws and professional practice guidance
- Maintain inventory of supplies and first aid kits for students and adults on campus
- Provide students' accident reports and submit claims to the school health insurance program
- Oversee monthly onsite occupational health walk through and participate in the Safety and Health Committee with HR and local doctor
- Maintain continuity among nursing teams by documenting and communicating actions, irregularities, and continuing needs.
- Serve as Health Officer with other Nurses.

How To Apply:

Please submit the following documents. Successful candidates will be contacted for an interview.

- Cover Letter
- **CV in Japanese and English**

Note: Successful candidates will need to complete a criminal background check (arranged and paid for by the school) before the final employment contract is issued.
