Job Description

My client is a global leader in premium all-inclusive resorts, offering exceptional vacation experiences in various locations worldwide.

Job Function/Position:

Stock and Procurement Manager

We are seeking a **Stock and Procurement Manager** to oversee various operational aspects, ranging from supplier performance to inventory consumption management.

Key Responsibilities:

- Managing supplier performance and ensuring alignment with company standards.
- Administering the core inventory system and managing related data
- Working closely with the **Purchasing and Logistics Division** to implement strategies.
- Conducting research on market trends and identifying potential new suppliers.

Eligibility Requirements:

- **Experience**: 2+ years of hands-on experience in procurement, purchasing, or inventory management.
- **Language Skills**: English, Japanese

Additional Benefits:

- **Administrative Duties Allowance**.
- **Full Travel Expenses** covered, including airfare upon joining.
- **Overseas Transfer Support**: Full support for international transfers, including visa acquisition.
- **Training Opportunities**: Access to various professional training systems.
- **Accommodation**: Dormitory provided (within the workplace/resort, meals included; ¥30,000/month dormitory fee).
- **Vacation Perks**: One week of free stay at company-operated resorts after one year of service.
- **Other Benefits**: Access to company facilities and sports lessons during holidays.
