

Job Description

Company and Job Overview:

A global presence MNC specializing in designing and manufacturing high-grade electronics and electro-mechanical solutions for disruptive Industrial, Medical, and Transportation OEMs is looking for a Key Account Manager.

Job Responsibilities:

- Champion the customer and their voice throughout the factory. Effectively communicate all customer requirements to appropriate departments and ensure the Customer Service Policy is implemented for your customers.
- · Prepare and continually update Customer Account Development Plans, achieving agreed targets for sales and profit.
- Review and act on Customer Satisfaction Survey Results where necessary.
- Host customer visits, prepare presentations, and travel as needed to meet with customers.
- Prepare and follow up with customers on quotations, price feedback, and price negotiations.
- Direct the materials sourcing team to resolve sourcing problems for customers.
- Follow up on all start-up activities (NPIs) and conduct scheduled reviews for customer projects to ensure all
 milestones meet committed dates. Prepare reports for customers and management.
- Prepare business forecasts.
- Work with materials sourcing managers to establish and execute effective customer cost reduction programs.
- Facilitate the customer's interface with all other departments as required.
- Conduct internal customer business reviews effectively.

Job Requirements:

- Excellent interpersonal skills for effective communication at all levels, including senior management, customers at all levels of management, suppliers, and factory personnel.
- Strong project management, business analysis, and sales skills.
- Excellent English language skills, both written and verbal.
- Preferably hold a degree in Electrical, Electronic, or Mechanical Engineering with at least 2 years of experience in
- contract manufacturing in the electronics and/or plastic injection molding industry.
- Knowledge of tool making/molding is an added advantage.

Benefits:

- Flexi Working Hours
- Competitive Salary Package
- Comprehensive Benefits
- Career Growth Opportunities
- Positive Work Environment
