Job Description

The Corporate Planning Manager role offers an excellent entry-level opportunity for those eager to start a career in corporate strategy, with no prior industry experience required. It provides training and exposure to M&A project management, strategic planning, and international business, ideal for candidates with strong communication skills and a proactive mindset.

Client Details

The company is part of a global leader in technology consulting and engineering services, supporting innovation across various industries such as automotive, IT, and aerospace. Known for its dynamic and international work environment, the company provides employees with opportunities to contribute to impactful projects while fostering professional growth. The organization values collaboration, flexibility, and a proactive mindset, making it an ideal workplace for ambitious individuals.

Description

- Managing M&A activities, including negotiations, due diligence, and progress tracking.
- Driving strategic initiatives like post-acquisition integrations and presenting proposals to leadership.
- Preparing English reports and collaborating with global stakeholders, including the French ownership team.

Job Offer

- Competitive salary package.
- Opportunity to break into the field of corporate strategy.
- Standard working hours with minimal overtime.
