Job Description

Company Overview

Our client is a renowned global manufacturer specializing in precision plastic components and metal stamping for various industries.

Main Responsibilities

- Develop and implement long-term financial strategies to support organizational growth and sustainability.
- Prepare accurate financial reports, including profit and loss statements, balance sheets, and cash flow statements, to support decision-making processes.
- Ensure compliance with local regulations, tax laws, and corporate policies, including managing statutory audits and handling regulatory requirements.
- Monitor financial risks, develop mitigation strategies, and oversee risk management practices.
- Manage cash flow and working capital, ensuring liquidity for operational needs, and prepare rolling forecasts to track financial performance.

- Analyze cost structures and recommend improvements to enhance efficiency and reduce unnecessary expenses.
- Lead, train, and manage the finance team to ensure timely and accurate delivery of financial data.
- Implement and optimize financial systems, such as SAP, and standardize financial processes for increased operational efficiency.

Requirements

- Excellent communication skills, including fluency in English or Mandarin.
- A bachelor's degree in finance, accounting, economics, or a related field.
- Professional certifications such as CA or ACCA are highly desirable.
- At least 10 years of experience in finance, including 5 years in a managerial role, preferably within the manufacturing industry.
- Strong analytical and leadership skills, with a proven ability to manage teams and drive strategic initiatives.
- Proficiency in SAP or similar financial systems, with a strong understanding of financial regulations and tax laws.

Benefits

- A competitive salary package based on experience and qualifications.
- Opportunities for career growth and professional development within a supportive and dynamic team environment.
- Access to advanced tools and technologies to facilitate job responsibilities.
- Comprehensive employee benefits in line with company policies.
