Job Description

Job Description:

- Consulting and investment support for companies entering the Indonesian market
- (Includes market research and arranging site visits)
- Conduct desk research and interviews
- Analyze the research findings and summarize takeaways and insights
- Communicate effectively with internal/external stakeholders
- Conduct primary, secondary research and competitive analysis (e.g., offerings, market positioning, customers, financial performance, etc.)
- Evaluate potential opportunities for acquisitions, divestitures and strategic partnerships
- Perform data analysis to drive insights and make recommendations (e.g., financial modelling, cost benefit analysis)
- Develop go-to-market strategies to grow clients' businesses; including preparation of business plans and presentation decks for board meetings
- Conceptualize and build marketing, training and investment materials

Requirements:

- Bachelor's or Master's degree in management, finance, marketing or any field related
- Minimum +1 years of experience as management consultant in finance, marketing, investment, merger & acquisition, stock market, etc.
- Strong logical and critical thinking skills
- Excellent analytical abilities
- Constructive communication skills
- High level of commitment to achieving results
- Results driven, hands-on and strong team player who works well in a diverse and dynamic environment
- Excellent communication, interpersonal and leadership skills
- Open minded – Keen to get wide exposure across different services & industries
- Self-starter, high energy and detail oriented; ability to work with minimal supervision
