#### Job Description

As a Finance Manager, you will lead the Accounting & Finance department in our well-established Technology & Telecoms firm, providing strategic financial direction and oversight.

#### Client Details

Our client is a large-scale organization in the Technology & Telecoms sector, located in Tokyo. Known for its innovative approach and commitment to excellence, the company is a respected player in its field, constantly paving the way for technological advancement.

#### Description

- Lead and manage the Accounting & Finance department.
- Provide strategic financial guidance and insights.
- Ensure financial compliance and integrity across all operations.
- Collaborate with senior management to shape the company's financial strategy.
- Manage financial risks and opportunities.
- Prepare and present financial reports to stakeholders.
- Oversee the budgeting and forecasting process.

- Drive process improvements in the finance function.

#### **Job Offer**

- Be part of a rapidly growing, innovative SaaS company with strong global and local market presence.
- A dynamic, collaborative work environment with opportunities to contribute to significant Asia market expansions starting in 2025.
- Hybrid work flexibility and a competitive compensation package.

If you're a strategic thinker with a passion for finance, we'd love to hear from you. This is a fantastic opportunity to advance your career in a leading technology and telecoms company. Apply now and shape the future of finance with us!

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Saki Kanematsu at +81 3 6832 8904.

---

#### **Required Skills**

A successful Finance Manager should have:

- A Bachelor's degree in Finance, Accounting, or related field.
- Experience in a managerial role within the finance function, but also open to non-managerial candidates.
- Understanding of financial regulations and standards.
- Proficiency in financial software systems.
- Good communication skills and work well across the teams.
- Open for the candidates from different industry background
