#### Job Description

If you are looking to join a company with young spirit and on the rapid growth, and at the same time, utilise your skills and experience in financial analyst to grasp the overall financial situation, and formulate business strategies and financial forecasts and carry out improvement activities, this is the position for you! This position comes with a great flexibility with hybrid work up to 2 days and flexible working hours.

#### Client Details

This company, a leading innovator in the power tools and equipment industry, is known for its high-performance products designed for professionals. Established in the early 20th century, it has built a strong reputation for quality, durability, and innovation. The company offers a wide range of tools, including cordless power tools, hand tools, and accessories, all designed to meet the rigorous demands of the job site. Over the years, it has pioneered several industry-first technologies, particularly in the cordless tool sector, making it a preferred choice among tradespeople and contractors. With a strong focus on user-driven design and continuous improvement, this company has become a trusted name in the construction and industrial sectors worldwide.

#### Description

- Develop and manage productive/profitable analysis, such as sales per person, area, customer, business channels,

- product, cost, marketing promotion, etc. to give business partner with insight based on financial data
- Lead all aspects of FP&A (forecast, budget, long-range planning, and variance analysis for BS, PL, CF)
- Analyse actual against budget/ forecast, prior year, monthly trend, competitors etc.
- Generate regular financial package report
- Work cross-functionally on productivity/profitability analysis, budgeting and forecasting projects
- Research variances to forecast, budget, and prior-year expenses, identifying opportunities for improvement (ROI)

#### Job Offer

- Budget up to 10M
- Hybrid work up to 2 days with flexible hours
- Employment insurance
- Employee pension insurance
- Health insurance
- Workmen's accident insurance
- Transportation expenses provided
- Casual dress code
- Summer vacation
