Job Description

We are currently seeking a talented FP&A Business Administration Manager to join our Accounting & Finance team. This role will be based in Tokyo and will primarily focus on driving the financial planning and analysis of our client's Energy & Natural Resources business.

Client Details

Our client is a globally recognized, large organization operating within the Energy & Natural Resources industry. With operations all over the world, their Tokyo office plays a critical role in their ongoing success and expansion.

Description

- Manage and oversee the financial planning and analysis for the business.
- Develop and implement financial models and forecasts.
- Collaborate with senior management on strategic planning.
- Lead and supervise a team of financial analysts.
- Coordinate with other departments to gather data and streamline operations.
- Create regular reports to update management on the company's financial status.

Job Offer

- A competitive salary up to 12million JPY.
- A comprehensive benefits package, including a 15% bonus.
- A vibrant and supportive company culture.
- The opportunity to work in a state of the art office with lunch coupons, thinking rooms and a beautiful view.

We believe this is a fantastic opportunity for a FP&A Business Administration Manager looking to make their mark in the Energy & Natural Resources industry. We encourage all suitable candidates to apply.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Francois Yanase.

Required Skills

A successful FP&A Business Administration Manager should have:

- A strong academic background in Finance or a related field.
 - Proven experience in financial planning and analysis.
 - Excellent command of English, both written and spoken
-
