Job Description

An exciting opportunity has arisen for a skilled Demand & Supply Planning Senior Manager in Tokyo to join an international company in the Life Science industry. The successful candidate will be responsible for overseeing and optimizing the procurement and supply chain strategies, ensuring smooth operations and maximum efficiency.

Client Details

Our client is a globally renowned entity in the Life Science sector. This large organization has a significant footprint in Tokyo and is recognized for its innovative approach and commitment to excellence. With an inclusive and collaborative culture, this company provides an environment where every individual can thrive.

Description

- Develop and implement procurement and supply chain strategies
- Analyze and forecast demand and supply trends
- Identify opportunities for process improvements and cost reductions
- Coordinate with various departments to ensure supply chain efficiency
- Maintain relationships with suppliers and negotiate contracts
- Ensure adherence to industry regulations and company policies
- Lead and mentor a team of supply chain professionals
- Present regular reports on supply chain performance and strategy outcomes

Job Offer

- An estimated salary range of 13.5 million to 16.5 million JPY
- Comprehensive benefits package
- A supportive and inclusive work environment
- Opportunities for professional development and career advancement
- A strategic role with significant impact on company performance

We encourage all qualified candidates to apply.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Mike Corbyn on +813 6832 8601.

Required Skills

- A degree in Business, Supply Chain Management, or a related field
- Proven experience in supply chain with a focus in planning
- Strong analytical and strategic thinking abilities
- Excellent communication and negotiation skills
- Knowledge of industry regulations and best practices
- Leadership skills and the ability to manage a team
