### Job Description

**Location:** Bangkok

**Responsibilities:**

- Lead and participate in at least three full-cycle SAP FI implementation projects, from planning and blueprinting to go-live and post-implementation support.
- Work closely with clients to understand their business requirements and translate them into SAP FI system configurations.
- Design, configure, and customize SAP FI modules to meet client needs, including General Ledger (GL), Accounts Payable (AP), Accounts Receivable (AR), Asset Accounting (AA), and Bank Accounting.
- Collaborate with other SAP module consultants (e.g., MM, SD, PP) to ensure seamless integration of financial processes across the SAP landscape.

- Develop and execute test plans to ensure the SAP FI system meets business requirements and performs optimally.
- Provide training to end-users and ongoing support to ensure effective use of the SAP FI system.
- Maintain comprehensive documentation of system configurations, processes, and user guides.

**Qualifications:**

- Minimum of 5 years of experience as an SAP FI Consultant, with at least 2-3 full-cycle implementation projects.
- Bachelor's degree in Accounting, Finance, Computer Science, or a related field.
- Proficiency in SAP FI module configuration and integration with other SAP modules. Strong understanding of financial accounting principles and processes.
- Excellent problem-solving, communication, and interpersonal skills. Ability to work independently and as part of a team.
