Job Description

Seeking a competent Finance Manager to oversee financial planning and manage company's financial risks. The candidate must be well-versed in all aspects of financial management, including simple and complex financial procedures, in the Transport & Distribution industry.

Client Details

We are a large organization in the Transport & Distribution industry, known for our commitment to delivering high-quality service to our global clients. Our headquarters is located in Asia, and we have branches spread across several countries. We prioritize efficiency and precision in our operations.

Description

- Directing financial planning and strategy.
- Analyzing and reporting on financial performance.
- Overseeing audit and tax functions.
- Developing and implementing accounting policies.
- Preparing forecasts and comprehensive budgets.
- Training accounting staff and overseeing their work.

- Reporting to management on company's finances.
- Coordinating with the management to make financial decisions.

Job Offer

- An inclusive and diverse work culture.
- Opportunities for career growth and development.
- A competitive benefits package.

We encourage all qualified candidates to apply. This is an excellent opportunity to join an industry leader in the Transport & Distribution sector and contribute to our ongoing success.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Hai Le at +81 3 6832 8623.

Required Skills

A successful Finance Manager should have:

- **MUST:** High proficient in Japanese and business English communication
- Proficiency in corporate finance principles and financial software.
- Good communication and leadership skills.
- The ability to work in a fast-paced environment and meet deadlines.
- The ability to work effectively in a team and independently.
