Job Description

Seeking a dedicated and detail-oriented Head of Finance for an FMCG company in Japan, who will be responsible for handling, managing, and supervising the company's financial operations to drive growth and profitability.

Client Details

This is a large organization operating in the FMCG industry. The client operates with a vibrant, agile team. They work closely with local distributors to bring their iconic brands to the Japanese market. It has a strong reputation worldwide and is known for offering an inclusive work environment that fosters growth and creativity.

Description

- **Business Partnership:** Collaborate extensively with local distributors and internal teams to drive business performance and strategic initiatives.
- **Financial Management:** Oversee all financial operations, including budgeting, forecasting, and financial reporting.
- **Expense Control:** Analyze and control business expenses, ensuring alignment with budgets and strategic goals.
- **Revenue Management:** Monitor and manage revenue streams, ensuring accurate and timely financial reporting.
- **Strategic Planning:** Participate in regional strategic planning and decision-making processes.
- **Compliance:** Ensure compliance with local and international financial regulations and standards.

Job Offer

- Competitive salary and benefits package.
- Opportunity to work with a leading global brand.
- Dynamic and collaborative work environment.
- Career growth and development opportunities.

We encourage all interested applicants who meet the criteria to apply. This is an excellent opportunity to join a company that is a leader in the FMCG industry and to contribute to its financial success in Japan.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Hai Le at +81 3 6832 8623.

Required Skills

- MUST: Fluent in Japanese and English (spoken and written).
 - Proven experience in financial management, preferably within the FMCG industry.
 - Strong business partnership skills with the ability to collaborate effectively with internal and external stakeholders.
 - Excellent analytical and problem-solving skills.
 - Proficiency in financial software and tools.
 - Strong leadership and team management skills.
