Job Description

【Overview】

- A new type of day care and after-school program stimulating curiosity and interests of students using English.
- Most students are children ages 3-12.
- Instructors help children reach English-language goals through games, songs, and other activities. These classes also give instructors the best opportunity to express their creativity.

[Essential Roles]

- Give children interesting and fun experiences.
- Make programs and lesson plans and lead classes.
- Support school management
- Assist children in their personal development

[About Us]

One of the biggest companies in the education sector in Japan.

With 16 consecutive years of double-digit growth, and now over 1300 schools throughout Japan and in neighboring countries.

[Our Program]

Our approach is not simply about studying English, rather, we follow our philosophy of "Play in English, Learn in English".

We offer a variety of after-school and day care programs that include arts and crafts, music and dance, outdoor activities and occasional field trips, hands on math and story time, all in English.

The success of our program sees continued growth in our student base and the expansion of our schools.

[Measures against passive smoking]

No smoking indoors allowed

- Has the passion and enthusiasm to teach children
- Has great creativity in making unique programs and lesson plans
- Is willing to work as a part of a team

[Preferred Experiences]

*desirable but not mandatory

- Has experience working at a pre-school, after-school or English conversation school.

◆ Working in Japan ◆

Living and working in Japan can be a rewarding experience, but it's not for everyone. Applicants must be ready for the challenge of living abroad and adapting to a new culture. If you're ready to take on this challenge and you have the necessary qualifications, we want to hear from you.
