Job Description

【求人No NJB2220579】

COMPANY DESCRIPTION

Santenは、眼科医療に特化した130年の歴史を持つ製薬企業です。日本発のグローバル企業として60カ国以上に拠点を持ち、目の健康のために様々な革新的な治療法とデジタルソリューションを提供し、世界中の人々の視覚に関わる社会問題に取り組んでいます。

JOB DESCRIPTION

It is important to confirm Santen's product will not infringe any third party's patents so that Santen can do business without IP risk that third party may sue Santen. For this purpose the job needs to make search strategy to conduct patent search and

ultimately to secure Freedom to Operate (FTO) of Santen's developing/commercial products.

- Patent search

Job of this position is to make search strategy and to conduct patent search solely or if necessary supported by Manager and/or Head of Patent Search Dispute Management according to approved strategy and ultimately to secure FTO of Santen's developing/commercial products. The result of the job contributes to identification of potential IP risk in R D activity. Job of this position includes patent search to support IP transaction the result of which contributes determination of value of the target product/asset and identification of potential IP risk relating to such product/asset. Errors in the job cause misjudgment of R D activity's go/no go or IP transaction's evaluation.

- Provision of patent information

Job of this position is to collect information about patents of competitive products for assessment of their Loss of Exclusivity (LOE) solely or if necessary supported by Manager and/or Head of Patent Search Dispute Management. Such information contributes to projection of competitive products as well as determination of in house generic product development plan. Job of this position includes collecting technical information to help R D activity the result of which contributes to determination of research field.

- Acquisition of patent rights

Job of this position is to conduct patentability search of invention created in R D activity and to file and prosecute patent applications and ultimately to acquire patent right for the invention solely or if necessary supported by Manager and/or Head of Patent Prosecution Management. The result of the job contributes to building a longer exclusivity of Santen's developing/commercial products.

Required Skills

QUALIFICATIONS

- Knowledge of IP/Legal sufficient to discuss external patent counsels

More than three year experience as patent practitioner/searcher or equivalent experience/knowledge

- Experience of patent prosecution search and/or dispute

More than three year experience as patent practitioner/searcher or equivalent experience/knowledge

- Experience and knowledge of research/science

More than five year experience as researcher or equivalent experience/knowledge

- Language skills sufficient to communicate with Santen affiliates' colleagues external business partners and external patent counsels in English
