Job Description

An exciting opportunity for a Logistics Specialist in the FMCG industry has opened up in Tokyo. This role involves managing and optimizing the logistics operations, ensuring timely and cost-effective delivery of goods.

Client Details

Our client is a large organization within the FMCG industry, with a reputable market position in Japan. They strive for excellence and innovation in their products, ensuring high quality standards in their operations.

Description

- Monitor, coordinate and manage all logistical processes
- Collaborate cross-functionally to improve and optimize logistics operations
- Warehouse operation, space and storage method management with 3PL
- Domestic transportation instructions and management
- Logistics reports and analysis
- Price negotiations with suppliers

Job Offer

- Comprehensive insurance coverage
- A permanent role in a large FMCG company in Tokyo
- An inclusive and collaborative company culture
- The opportunity to make a real impact in the logistics operations of the company

If you are a highly motivated individual looking to grow your career as a Logistics Specialist in the FMCG industry, we encourage you to apply for this position.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Maribeth Mockovak on +XX XXXX XXXX (NS phone number)

Required Skills

A successful Logistics Specialist should have:

- A bachelor's degree in logistics, supply chain management, or a related field
 - Proven experience in logistics or a similar role within the FMCG industry
 - Experience in wholesale business or 3PL
 - Experience of outsourcing to 3PL company 2 years or more
 - A keen eye for detail and a results-driven approach
