Job Description

Summary:

We are seeking a skilled and passionate backend Engineer to join our dynamic team. As a backend Engineer, you will play a crucial role in developing and maintaining our travel booking platform, "skyticket". You will work closely with other engineers to design, implement, and test new features, while also ensuring the stability and performance of our existing systems.

Responsibilities:

- Develop and maintain backend systems for our travel booking platform
- Design and implement new features and enhancements
- Conduct code reviews to ensure code quality and maintainability
- Research and evaluate new backend technologies

Additional Opportunities:

- Gain experience in a globalizing service with over 7 million monthly active users (MAU)
- Develop your skills as an engineer in a global environment
- Collaborate with offshore teams
- Gain management experience, if desired

Technology Stack:

- Frontend: Vue.js, React, jQuery
- Backend: PHP, Go, Java
- Database: MySQL, PostgreSQL, Cloud Spanner, Redis
- Infrastructure: GCP, AWS
- Editor/IDE: Visual Studio Code

Our Mission:

Driven by our mission of balancing business and social contribution, we have developed and operated "skyticket", a travel booking site that allows users to search and reserve affordable airfare and hotels.

Our Achievements:

- Over 20 million downloads of our app since its release in 2015
- Profitable even during the COVID-19 pandemic, demonstrating resilience across the travel industry
- Record-breaking profits achieved in June 2023
- Expansion to 6 subsidiaries overseas
- Our Global Workforce :The percentage of international employees hired exceeds 50%, we are fostering a truly global development environment.

Why Join Us?:**Embrace a Global Environment**

Join a team of talented individuals from Amazon headquarters, Accenture, Salesforce, and our Future Creator talent acquisition program.

Thrive in a multicultural environment, working in both Japanese and English, enhancing your soft skills and increasing your market value.

Drive Innovation and Growth

Be part of a company that actively creates new businesses, having launched three new services since 2023.

Contribute to cutting-edge AI solutions that are shaping the future of travel.

Seize Opportunities for Career Advancement

Develop your global expertise and gain valuable experience that will set you apart in the job market.

Take on challenging projects and make a real impact on our company's success.

In today's rapidly evolving landscape where AI is playing an increasingly prominent role, simply coding skills are no longer enough to guarantee market value.

For those seeking a global challenge and the opportunity to make a difference, "skyticket" offers a wealth of opportunities.
