#### Job Description

A great opportunity for an experienced audit professional to join a leading insurance company. This role involves conducting risk-based audits, evaluating governance and controls, and driving improvements in risk management.

#### Client Details

Our client is a major player in the insurance industry, committed to maintaining strong governance, risk management, and internal controls. With a focus on continuous improvement, they seek an audit professional to provide valuable insights and assurance across their operations.

#### Description

- Conduct risk-based internal audits to assess governance, risk management, and control effectiveness.
- Plan and execute audit projects in line with the company's audit methodology.
- Identify key risks, assess control effectiveness, and provide recommendations for improvements.
- Collaborate with management to enhance risk culture and develop smart control solutions.
- Follow up on audit findings to ensure timely and effective remediation.
- Support the development of the annual audit plan, ensuring alignment with business risks.
- Prepare audit reports and presentations for senior management and the Audit Supervisory Committee.

## Job Offer

- Opportunity to work in a dynamic insurance company with strong growth potential.
- Exposure to senior management and strategic decision-making processes.
- Competitive salary and benefits package.
- A collaborative work environment with opportunities for professional development

We are excited to welcome a new member to our team in Tokyo. If you believe you have the skills and experience to excel as an Audit Manager in the insurance industry, please apply today.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Carl Iso +818046764473.

---

## Required Skills

- Minimum 8 years of experience in accounting or finance, with at least 5 years in audit.
- Strong knowledge of internal audit methodologies, risk-based auditing, and controls.
- Familiarity with life insurance regulations, industry trends, and business processes.
- Proficiency in spoken and written English; ability to engage with senior management.
- A team player with a keen eye for detail, analytical skills, and strong communication abilities.

## Preferred Qualifications:

- Professional certifications such as CPA, CIA, or equivalent.
  - Experience engaging and influencing senior stakeholders on audit and risk matters.
  - Interest in emerging technologies and new audit methodologies.
-
