Job Description

An exciting opportunity for an experienced risk professional to join a global financial services firm. This role involves implementing and enhancing risk management frameworks, conducting risk assessments, and providing strategic advice on risk mitigation.

Client Details

Our client is a well-established financial services company with a strong global presence. They are committed to strengthening risk governance and ensuring compliance with international standards. This role offers a clear career path to a leadership position.

Description

- Forecast market trends and assess financial impacts of emerging risks.
- Conduct risk assessments and develop strategic risk mitigation measures.
- Provide advisory support on risk methodologies and process improvements.
- Deliver self-assessments of risk controls and implement necessary enhancements.
- Ensure risk awareness across the organization through training and engagement.
- Develop policies to mitigate financial risks and enhance governance structures.

- Analyze external risk factors related to corporate governance.

Job Offer

- Clear career path to Head of Risk within 24 months.
- Competitive salary.
- Hybrid work model with flexibility.
- Comprehensive benefits, including social insurance and paid holidays.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Carl Iso +818046764473.

Required Skills

- Strong experience in risk management within financial services.
 - Strong knowledge of risk management frameworks and principles.
 - Leadership Experience with at least 2 direct reports.
 - Experience in developing and implementing risk policies and controls.
 - Excellent communication and stakeholder management skills.
 - Fluency in both English and Japanese (verbal and written).
