Job Description

Job Title: Quality – Assistant Manager**Industry:** Packaging**Job Summary:**

We are looking for a dedicated and experienced Quality – Assistant Manager to join our team in the packaging industry. The ideal candidate will have deep knowledge of ISO procedures and preferably experience in the paper products or packaging industry. This role involves overseeing the quality department and ensuring that all products meet the highest standards of quality.

Key Responsibilities:

- Implement and maintain ISO procedures and standards.
- Oversee the quality control processes and ensure compliance with industry standards.
- Manage and lead a team of 4 quality department members.
- Collaborate with office workers (20 members) and operators (20 members) to ensure quality standards are met.
- Conduct regular audits and inspections to identify areas for improvement.

- Develop and implement quality improvement plans.
- Report to the Plant Head on quality performance and issues.

Qualifications:

- Deep knowledge of ISO procedures.
- Experience in the paper products or packaging industry is preferred.
- Strong leadership and team management skills.
- Excellent communication and interpersonal skills.
- Ability to work under pressure and meet deadlines.

Experience:

- Proven experience in a quality management role.
- Experience managing a team in a manufacturing or production environment.
