### Job Description

**COMPANY OVERVIEW**

Our client is a prominent global IT service provider that excels in custom software design, IT consultancy, and infrastructure management. They deliver high-performance, large-scale systems like API Gateways and message queues, ensuring smooth global operations and enhanced system reliability. Their comprehensive IT solutions help businesses eliminate challenges, optimize resources, and boost productivity.

**JOB RESPONSIBILITIES**

- Lead or co-lead projects in a PM or co-PM capacity, ensuring successful delivery through effective management.
- Provide technical expertise in IT domains (infrastructure, networking, applications, APIs) tailored to client needs.
- Gather, analyze, and document business/system requirements while aligning project directions with stakeholder objectives.
- Manage vendors and partners, ensuring effective communication, timely deliverables, and quality outcomes.

- Maintain consistent communication with all parties to monitor progress, address issues, and provide solutions.
- Support team members, ensure compliance with policies and standards, and manage project documentation.
- Perform additional duties as required.

#### **JOB REQUIREMENTS**

- Bachelor's degree in Information Technology, Computer Science, or a related field.
- Preferred PMP, PRINCE2, TOGAF, ITIL, Scrum or any relevant industry certification.
- 10+ years of experience in IT/Digital Transformation, including 5+ years in consulting or leadership roles and as a system architect.
- Skilled in project management, delivering projects with strong organizational and planning abilities.
- Excellent communication, collaboration, and problem-solving skills to drive stakeholder engagement and business success.
- Adaptable to change, with expertise in SDLC, waterfall, and agile methodologies.
- In-depth knowledge of IT trends, technologies, and tools, with experience working across diverse teams and cultures.
- Willingness to travel overseas, up to two weeks per month.

Working Location: Singapore

Apply online or feel free to contact me directly (via email:syahirah.jaafar@jac-recruitment.com) for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
