### Job Description

Regional Product Manager

We are seeking an experienced Regional Product Manager to oversee and manage a well-known mobile phone brand across South Asia Region and to drive its growth, innovation and market penetration.

#### Key Responsibilities:

- Develop and execute impactful strategies to launch and grow the mobile phone brand across all markets in South Asia
- Collaborate with in-country teams to set and exceed monthly and quarterly sales targets by partner.

- Own the planning and forecasting of annual targets by partner and country.
- Build and nurture strong relationships with brand's SPOC and other key team members to secure competitive deals and maximize business benefits.

Requirements:

- Bachelor's degree in Business Administration, or a related field.
- Minimum of 10 years of experience in sales, marketing, and country management, with a proven track record in large-format retail, carriers, and open channel distribution
- Exceptional relationships management skills to build lasting partnerships both internally and externally
- Able to travel across South Asia Region
