**Title:** Associate Director, Fund Accounting

**Country:** Japan

**Language:** Japanese Language proficiency is Mandatory

**Work Model:** Hybrid [6-8 days' work from office in a month]

### Job Description

- Prepares a variety of fund reports for clients including: cash forecasts, Net Assets Values (NAVs), yields, distributions, reconciliation, and other fund accounting output.
  - Updates and reviews trading, general ledger activity and pricing of funds.
  - Prepares and reconciles trial balances for assigned funds and prepares reconciliation of fund records to custodians and transfer agents.
  - Reviews complex investments and/or funds which may include international, fixed income, or derivatives securities.
  - Manager of staff leaders for multiple departments, or manager of professionals who work on issues that require in-depth knowledge or specialized skills. Exercises wide-latitude to make decisions to achieve defined goals.
  - Establishes operational objectives and provides strong tactical leadership. Coordinates with senior management or executives on critical cross-departmental or functional issues, removing barriers to operational success.
  - Participates in the development and implementation of company policies. Accountable for the results of one or more departments.
- 

### Required Skills

- Minimally requires a Master's degree and 10 years of related experience, or Bachelor's degree and 12 years of related experience, or high school degree and 14 years of related experience.
  - Japanese Fluency is mandatory.
-
