## Job Description

This is an opportunity for an Organizational Development and Change Management Lead to spearhead and manage change initiatives within the Human Resources department of a Life Science company in Tokyo. The ideal candidate will have a strong background in Organizational Development, Change Management, and Human Resources.

**Client Details**

This position is within a large organization in the Life Science industry. Recognized for its innovative approach to improving human health, the company places a high value on continuous learning, development, and change management. Their Tokyo office is a hub for innovation and growth, and is an integral part of their global network.

**Description**

- Lead and manage change initiatives within the Human Resources department.
- Develop and execute strategic plans to support organizational development.
- Facilitate and support the development of a change management culture.

## Job Offer

- A chance to work in an innovative and growing Life Science company.
- Opportunities for continuous learning and development.
- A supportive and collaborative work environment.
- An integral role within the Human Resources department in Tokyo.
