Job Description

An international consumer electronics company is looking for a Senior Financial Analyst. The selected candidate will be in charge of providing critical analytical support in various areas of financial management. This is a hybrid role.

A major international consumer electronics company with an expansive global reach and reported sales in the billions of dollars. Fuelled by their talented workforce, they have achieved immense success in providing consumers with technological audio solutions.

Keywords:

会計, 金融, 家電, 電子機器, メーカー, 外資系

Job Ref: XOPEZK

Responsibilities:

- Perform monthly reporting for management review
- Analyse and evaluate the company's operating results and financial position
- Identify opportunities to improve expenses and business execution
- Plan, develop, prepare and maintain company budgets
- Develop cash flow projections, sales projections, capital and expense projections
- Collaborate with local and global teams to provide financial insights and support cross-functional initiatives and projects

Requirements:

- Bachelor's degree or above (accounting, finance, economics, or business administration is preferred)
- More than 5 years of experience in a similar role
- Experience in a globally operated company
- Knowledge of SAP (BW or BI analytic environment is desirable)
- Proficient in MS Excel (Pivot, VLOOKUP, Big Data analytics)
- Ability and willingness to travel
- Native level written and verbal Japanese; business level written and verbal English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
