Job Description

We are looking for a Finance Manager to lead and build a finance team, handling financial planning, reporting, and contract management. This role offers career growth in a supportive, innovative environment within a leading European chemical company.

Client Details

Our clients a leading provider of self-adhesive graphic products, retroreflective materials, and adhesive tape.

Description

- Oversee, review, and adhere to the budgets for each business department.
- Assist in company-wide budgetary planning.
- Ensure that all of the company's financial practices are in line with statutory regulations and legislation.
- Analyze the financial climate and market trends to assist senior executives in creating strategic plans for the future.
- Monitor, track, and manage the company's financial status and performance to identify areas for potential improvement.
- Update and implement financial policies and procedures.

Job Offer

- Competitive salary package of up to 12,000,000
- Opportunity to work in a culturally diverse, stimulating environment.
- Chance to grow professionally in a large industrial manufacturing company.

If you think you have what it takes to be our next Finance Manager in want to be part of a large manufacturing company with a global footprint, we would be delighted to hear from you.
