Job Description

We are looking for a Finance Manager to lead financial planning, reporting, and contract management for a global leader in automation. This role offers career progression, a supportive team environment, and opportunities to work with cutting-edge technologies.

Client Details

Our German client is a leading provider of automation solutions specializing in vacuum and ergonomic handling systems. They are known for their innovative technologies and commitment to sustainability.

Description

- Provide financial reports and interpret financial information to managerial staff.
- Advise on investment activities and provide strategies that the company should take.
- Develop trends and projections for the firm's finances.
- Conduct reviews and evaluations for cost-reduction opportunities.
- Oversee operations of the finance department, set goals and objectives, and design a framework for these to be met.
- Liaise with auditors to ensure appropriate monitoring of company finances is maintained.=

Job Offer

- Competitive salary range of up to 12,000,000 JPY, considering an increase based on experience.
- Opportunity to work in a large organization within the industrial/manufacturing sector.
- A collaborative and friendly company culture.

We encourage all candidates who believe they possess the necessary skills and experience to apply for this exciting opportunity.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Francois Yanase.

Required Skills

A successful Finance Manager should have:

- Proven experience in the industrial/manufacturing industry.
 - Profound knowledge of financial law and risk management practices.
 - Excellent knowledge of data analysis and forecasting methods.
 - An analytical mind, comfortable with numbers.
 - Comfortable with business level English
-
