Job Description

- As a Consultant, you will provide strategic, operational, and digital/technology consulting services to clients in various sectors, including telecommunications, high-tech, manufacturing, finance, government, and public agencies.

Client Details

Our client is a leading consulting firm renowned for our one-pool environment that offers unparalleled career flexibility. Our diverse projects span multiple industries and disciplines, providing you with a platform to develop a broad skill set and gain extensive industry knowledge.

Description

- Strategy Consulting: Drive company-wide and business strategies, oversee M&A activities, promote alliances, and develop R&D strategies.
- Operations Consulting: Manage organizational and operational reforms, enhance business efficiency, reduce procurement costs, and implement CRM and SCM solutions.
- Digital/Technology Consulting: Create DX strategies, develop digital roadmaps, oversee IT governance, and drive digital marketing initiatives.

Job Offer

- Employment Type: Permanent position at our Tokyo office
- Flexible Work Hours: Discretionary work system tailored for specialized tasks
- Competitive Salary: Negotiable based on experience and role
- Generous Leave: Weekends, national holidays, summer and year-end vacations, paid leave, sick leave, childcare and maternity leave, and more

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Peryhan Essam on +813 6832 8691.

Required Skills

- Minimum of 3 years of relevant work experience
 - Preferable: IT experience, consulting experience, and proficiency in English and Japanese.
 - Strong analytical and problem-solving skills
 - Excellent communication and interpersonal abilities
 - Adaptability and a passion for continuous learning
