Job Description

COMPANY OVERVIEW

One of the world's largest independent manufacturers of electronic and electromechanical components is looking for a Manager Transactional Accounting (m/w/d) near Munich.

JOB RESPONSIBILITIES

With us, you can demonstrate your leadership skills and accounting experience in an international environment.

- **Technical and disciplinary management:** You will take over the management and promotion of our team, which currently has 12 employees, and will report to the Finance Director.
- **Sub-ledgers:** You are responsible for the correct posting and management of accounts payable, accounts receivable, property, plant and equipment, bank accounts, among others. Your operational cooperation is a matter of course for you.

- **Ensuring internal controls:** You will identify and solve problems from your area of responsibility in a timely and proactive manner.
- **Further development of the accounting function:** They think outside the box and contribute ideas, improvements and impulses.

JOB REQUIREMENTS

- **Your background:** You have successfully completed a degree in business administration with a focus on accounting.
- **Your experience:** You have several years of sound professional and management experience in the above-mentioned area of responsibility and have leadership qualities as well as the ability to work in a team and excellent communication skills.
- Fluent German and very good English skills are required.
- **Your way of working :** You are characterized by your analytical thinking skills as well as a structured, solution-oriented and independent way of working, as well as your high degree of flexibility and personal responsibility.

BENEFITS

- Security and innovation: We offer a secure job in the innovative automotive sector.
- International environment: You can expect exciting challenges in demanding international projects and teams based on a long-standing company success story.
- Flexibility: You benefit from flexible working hours through a hybrid working model of office presence and remote working.
- Working atmosphere: We live a positive working atmosphere through appreciative cooperation and open communication across departments.
- Top remuneration: You will receive an attractive salary package with a wide range of social benefits such as: 13 salaries, capital-forming benefits, employer-financed company pension scheme, extensive accident insurance and a travel allowance.
- Incorporation: To ensure that you can successfully contribute your qualifications, you will receive structured onboarding with integration into a strong network.
- Development: We offer personal growth through targeted training.
- Recreation: You will receive 30 days of vacation plus individual special leave.
- Equipment: Modern IT equipment including an I-Phone for private use is the basis for your successful work.
- Family-friendly: Our bicycle leasing model is also open to family members.
- Events: We all like to come together at regular company events such as Christmas parties, summer parties.
- Border: Through the Corporate Benefits partners, offers and special conditions from over 1500 providers can be used.

Apply online or feel free to contact me directly for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
