### Job Description

**Information Security Officer**

Are you passionate about safeguarding information and ensuring robust security frameworks? We are seeking a dedicated and experienced Information Security Officer to join our dynamic team in London. This is a fantastic opportunity to play a pivotal role in establishing and maintaining IT and information security governance across our European operations.

**Key Responsibilities:**

- Develop and implement comprehensive IT and information security plans in collaboration with key stakeholders.
- Regularly report on the status and progress of security initiatives to senior management.
- Coordinate and execute security plans, ensuring compliance with legislative and business obligations.
- Review and improve security measures based on feedback and performance metrics.
- Assist in technical implementation plans and conduct assessments and audits.
- Draft and update security policies and manuals to align with regulations.
- Stay abreast of technological advancements in IT and security.
- Facilitate effective communication within the organization and with external partners.

**Qualifications:**

- Minimum of 3 years of experience in the ICT industry.
- Proven experience with security frameworks such as ISO 27001, ISAE 3402, or Cyber Security Framework.
- Strong knowledge of GDPR and NIS2 requirements.
- Excellent communication skills in English and German.

- Ability to work independently and manage multiple tasks efficiently.
- Strong work ethic, attention to detail, and reliable timekeeping.

Preferred Experience:

- Experience working in Germany and/or France.
- Ability to translate documents and conversations between English and German/French.

What We Offer:

- Competitive salary up to £80,000, depending on experience.
- Full-time, permanent position with a standard 35-hour work week.
- Opportunities for professional growth and development.
- Collaborative and supportive work environment.

If you are ready to take on a challenging and rewarding role in information security, we would love to hear from you. Apply now to join our team and make a significant impact on our security landscape!
