Job Description

An international consumer goods company is looking for a Logistics Staff. The chosen applicant will be responsible for executing the daily pick & pack operation to meet the merchandising requirement by the estimated date.

One of the world's most renowned food brands that is well-loved by consumers around the world. Headquartered overseas, this company has a long history of producing a variety of delicious chocolates in elegant packaging.

Keywords:

ロジスティクス, サプライチェーン, オペレーション, 消費財, FMCG, 外資系

Job Ref: DLF4FT

Responsibilities:

- Manage all Pick & Pack operation, build up procedure manual by each product, correct ingredient label, pick & pack operation cost, communicating with other teams
- Handle daily ERP operation with timely and accurate manner
- Support to develop a new product or new business flow (MCS, EC,)
- Daily communication with supply chain staff, merchandisers, QA or RA staff, marketing staff and 3PL staff
- Support the superior to plan mid- and long-term pick & pack strategy to meet merchandising inventory requirement
- Manage pick & pack operation cost, clarify its cost structure and analyse it deeply
- Execute continuous improvement for efficient process, cost optimisation and system enhancement
- Set appropriate KPIs, monitor them and create reports

Requirements:

- More than 3 years of experience in production or pick & pack operations; other logistics experience is a plus
- Experience in the food or medical industry, handling products with shelf life
- Experience using ERP or warehouse management systems (Microsoft Dynamics AX experience is desirable)
- Skilled in MS Office
- General knowledge of supply chain
- Strong communication skills with all stakeholders
- Experience with new warehouse projects or building pick & pack operations from scratch is a plus
- Proficient in Japanese; business level reading and writing English (TOEIC 700+ or equivalent is preferred); speaking ability is a plus

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
