## Job Description

A global medical technology company is looking for a Tax Manager. The selected candidate will oversee tax compliance, audits, and reporting while ensuring adherence to local and international tax regulations.

A multinational healthcare organisation, this company has a long history of providing high-quality medical products to professionals across the globe. Now with a diversified product range serving a number of industries and a large global workforce, this company is a powerful force in the international healthcare market.

Job Ref: 4TOQXC

**Responsibilities:**

- Maintain tax records and ensure timely submission of tax provisions and returns
- Prepare Consumption Tax, Business Establishment Tax, and corporate income tax filings
- Review US tax provisions and analyse tax accounts in collaboration with internal teams
- Ensure compliance and manage tax-related internal audits
- Lead transfer pricing adjustments and liaise with corporate tax teams and consultants
- Handle tax audits, provide research findings, and communicate with external tax agencies

**Requirements:**

- Bachelor's degree or above in Accounting, Finance, or Tax Law
- More than 5 years in corporate tax experience
- 3-5 years of experience in a Big 4 firm; industry experience preferred
- Experience in a US-listed company is a plus
- Strong knowledge of Japan tax laws
- Proficient in Excel (SAP ERP preferred)
- Possess a valid Zeirishi certification or equivalent
- Fluent level Japanese and English

---

**Company Description**

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
