Job Description

A global medical devices manufacturer is looking for an Accounting professional. The selected candidate will handle accounts payable and receivable, tax treatment, and financial reporting. This is a hybrid role.

Supplying the global healthcare market for centuries, fuelled by its rich history of research, innovation, and technology, this company continues to expand its global reach and push boundaries. They design, manufacture, and supply products in the fields of urinary care, diabetes, infection prevention, and more.

Job Ref: 15P82Z

Responsibilities:

- Process vendor invoices, internal checks, and payments
- Manage invoicing and payments for customers
- Handle withholding income tax for non-employees
- Reconcile intercompany receivables and payables
- Support expense reimbursements and subsidies
- Assist with financial settlements and audits

Requirements:

- Bachelor's degree or above
- More than 3 years of accounting experience (accounts payable or accounts receivable)
- Experience with SAP is a plus
- Professional level Japanese; proficient in English

Benefits:

- Flexible working hours
- Remote work is possible
- Complete with social insurance
- Annual paid leave
- 123 days off per year
- Memorial leave
- Benefit Station Subscription
- Influenza vaccination assistance

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
