## Job Description

A global logistics company is looking for an Ocean Ops Clerk. The selected candidate will handle data entry, shipment tracking, customer coordination, and pricing tasks. This is a hybrid role.

A leading player in the global logistics and transportation sector, this company excels in providing integrated supply chain solutions. With a strong presence in Japan, it offers comprehensive services designed to streamline and enhance the efficiency of international and domestic logistics operations.

**Company Description**

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
