Job Description

Company and Job Overview

As one of the world's fastest growing end-to-end data centre providers and solutions located strategically in KL with presence across Singapore, the United Kingdom, Germany and APAC region.

Job Responsibilities

- Handle corporate governance, licensing, and regulatory matters, including liaising with regulatory authorities.
- Provide legal advice and support for transactions, projects, and operations, including negotiating various contracts (construction, financing, customer/vendor).
- Manage dispute resolutions or investigations as they arise.
- Instruct and manage external counsels on various legal matters.

- Handle any other assigned matters from time to time.

Job Requirements

- Bachelor's Degree in Law and Malaysia Law qualified
- Has at least 10 years of related working experience in a law firm and/or in-house with preference in the data centre industry.
- Strong background in corporate and commercial matters, including project financing and construction.
- Experience in liaising with Malaysian regulatory authorities, which is advantageous.
- Willing to travel from time to time.
