Job Ref: 510HPV

**Responsibilities:**

- Support project financing, including structuring, documentation, due diligence, and financial closing
- Manage existing loan facilities, ensuring compliance and handling amendments, waivers, and refinancing
- Strengthen relationships with banks and investors, leveraging market knowledge to expand liquidity
- Assist in cash management, risk management, and covenant compliance

**Requirements:**

- Background in international business setting
- Knowledge of loan practice (lender-side or borrower-side)
- Understanding of structured finance is a plus
- Prior understanding of loan syndication market is ideal
- Familiarity with property finance is preferred
- Fluent level Japanese and English

---

**Company Description**

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
