Job Description

- As a Junior Sales, you will conduct comprehensive project-based searches, manage data entry tasks, and collaborate with internal employees and external clients to provide valuable insights and support for career-related initiatives.

Client Details

- Our client is a well-established European consulting firm known for delivering strategic solutions to a wide range of industries.
- With a strong commitment to excellence and client satisfaction, the firm seeks talented individuals to contribute to their knowledge-driven approach and provide career advisory services.

Description

- Conduct detailed project-based searches within the firm's database and external sources to gather relevant information and insights.
- Collaborate with internal consultants and external clients to understand their business-related needs and provide tailored recommendations and support.

Job Offer

- Competitive salary and benefits package (pension, healthcare, commute fee)
- Opportunity to work with a prestigious consulting firm and contribute to their development and research initiatives.
- Exposure to diverse projects and industries, providing valuable insights and professional growth opportunities.
- A collaborative and inclusive work culture that values teamwork, innovation, and knowledge sharing.
- Continuous learning and development opportunities through training programs and access to industry-leading resources.
- Work from home is available, office is easy access in central Tokyo.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Peryhan Essam on +813 6832 8691.

Required Skills

- Strong research and data analysis skills, proficiency in conducting comprehensive searches using databases and online sources.
 - Excellent communication in English and Japanese and interpersonal skills to engage with internal and external stakeholders effectively.
 - Detail-oriented with strong organizational skills, ability to work independently and manage multiple tasks simultaneously. Client-focused mindset, empathy, and understanding of career development principles.
