Job Description

We are seeking a Strategy Consultant to join our vibrant team, who will play a crucial role in driving strategic marketing initiatives in the Healthcare sector. This position is based in Tokyo and will contribute to the development and execution of innovative marketing strategies for our prominent clientele.

Client Details

The hiring company is a large organization operating in the Healthcare industry. With a well-established presence in Tokyo, they have a reputation for delivering high-quality services and solutions. They maintain a strong commitment to fostering an environment that values innovation, hard work, and excellence.

Description

- Develop and implement strategic marketing initiatives and campaigns for pharmaceutical clients.
- Collaborate with internal teams to understand and respond to client needs effectively.
- Monitor market trends and analyze competitive activities to recommend strategies.
- Prepare and present detailed reports on the outcomes of marketing initiatives.
- Maintain positive client relationships through effective communication and problem-solving.
- Ensure compliance with industry regulations and guidelines.

- Coordinate with the sales team to align marketing strategies with sales objectives.
- Participate in industry events and represent the company professionally.

Job Offer

- A supportive work environment that encourages professional growth.
- The opportunity to work with a diverse team of professionals in the Life Sciences industry.
- Very flexible working style

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Nalisala Karnnganunvichit on +81 3 6832 8650.

Required Skills

A successful Consultant should have:

- A degree in Life Sciences, Marketing, or a related field.
 - Proficient knowledge of pharmaceutical marketing strategies and industry trends.
 - Strong analytical skills to interpret market data and insights.
 - Excellent communication and client servicing skills.
 - Ability to work collaboratively in a team and manage multiple projects
