Job Description

Our client is seeking a dedicated and results-oriented Supply Chain Manager to manage the end to end supply chain process for the business, as well as to be directly involved with expanding the products within newly launched brands.

Client Details

Our client is a globally recognized, large organization in the retail industry. With a strong presence in Japan and various other countries, they are committed to delivering high-quality products to their discerning clientele. They place a significant emphasis on creating a supportive and collaborative work environment.

Description

- Develop, implement, and maintain supply chain strategies to optimize efficiency and productivity.

- Collaborate with other departments to identify vulnerabilities and close operational gaps.
- Oversee and manage procurement processes and coordinate material and resources allocation.
- Utilize SAP to streamline supply chain processes and improve operational efficiencies.
- Optimize inventory control procedures to ensure adequate stock levels.
- Implement risk management protocols to ensure supply chain security.
- Develop operational policies to align with corporate goals.
- Lead and motivate a team of procurement and supply chain professionals.

Job Offer

- An estimated salary range of 9,000,000 to 12,000,000 JPY total salary
- Comprehensive benefits package.
- Ample holiday leave.
- A supportive and collaborative company culture in the retail industry.
- The opportunity to work with a globally recognized brand in Japan.

We invite all qualified candidates to apply and look forward to welcoming the successful Supply Chain Manager to our team.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Mike Corbyn on +813 6832 8601.

Required Skills

A successful Supply Chain Manager should have:

- Ideally a degree in Business Administration, Supply Chain Management or a related field.
- Proficiency in SAP and other supply chain management software.
- Strong leadership and organizational skills.
- Excellent problem-solving abilities and a detail-oriented approach to work.
- Superior interpersonal and communication skills.
