Job Description

Company and Job Overview

A foreign company specializing in Lighting solutions is looking for Commercial Projects Sales to join their dynamic team in Ho Chi Minh city.

Job Responsibilities

- Build and maintain strong relationships with a diverse range of clients, including architects, project investors, real estate investors, project managers, and contractors.
- Expand the network by participating in events, associations, and industry forums.
- Collaborate with the engineering team to provide lighting consultations and introduce new company products.
- Manage projects from budget planning, quotations and price/timeline negotiations to ensure customer expectations and company goals are met.
- Work with relevant departments and support teams to ensure project success.
- Quickly and professionally resolve issues to ensure customer satisfaction.

Job Requirements

- Having experience from 3 years to 5 years in sales and supplying materials for commercial projects. Experience in the lighting industry is a significant advantage.
- Problem-solving skills and the ability to turn challenges into opportunities.

- Ability to absorb information, manage projects efficiently, and handle multiple projects simultaneously.
- Excellent verbal and written communication skills, persuasive abilities, and the capability to inspire listeners.
- Proficiency in Microsoft Office and CRM tools
- Fluent communication in English skills (IELTS 6.0+ / TOEIC 750+).

Benefit:

- Commission based on target achievement
- Premium health insurance + Wellness programs.
- Profit sharing.
- Team building, summer trips, and opportunities for training at the headquarters in overseas.
- Personal development and professional training courses.
