Job Description

This is a high-impact internal audit role within the trust banking arm of a global financial group. You'll contribute to risk evaluation, plan and execute audits, and support the advancement of audit frameworks. The position spans across business governance, trust-related services, IT/systems, and regulatory risk, with strong exposure to senior stakeholders.

Client Details

Our client is a prominent financial group offering trust banking, custody, pension, and real estate services. Their audit team is an independent function focused on elevating internal control quality in response to evolving international regulations and corporate governance standards.

Description

- Lead the development of annual risk assessments and audit plans
- Execute internal audits related to trust services, custody, pension, and securities proxy functions
- Evaluate governance, compliance, operational, AML, and system risks

- Propose and implement upgrades to auditing processes and methodology
- Collaborate with internal stakeholders to strengthen risk culture and audit outcomes

Job Offer

- Opportunity to shape internal audit practices at a top-tier trust bank
- Career development into senior audit leadership roles
- Work closely with strategic departments across governance, risk, and compliance

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Carl Iso +818046764473.

Required Skills

- Experience in auditing trust banking services OR Background in 2nd-line functions such as legal, compliance, IT planning, risk, or trust product due diligence
 - Understanding of governance, operational controls, and regulatory risks
 - Strong communication skills and stakeholder engagement capability
 - Japanese fluency required; English proficiency preferred
