Job Description

This is a fantastic opportunity for an experienced audit professional to join the internal audit function of a multinational life insurer. As an Auditor or Senior Auditor, you'll assess business processes, evaluate risk exposures, and drive impactful improvements through independent assurance.

Client Details

Our client is a globally trusted financial services company with a strong internal audit function. The audit team contributes to risk culture, internal control enhancement, and enterprise-wide improvement through collaborative and insight-driven work.

Description

- Plan, execute, and document internal audits across business functions.
- Conduct risk assessments, define audit scopes, and lead fieldwork phases.
- Collaborate with management to ensure effective remediation of findings.
- Track the progress of action plans and support sustainable issue resolution.
- Maintain strong stakeholder relationships and communicate audit outcomes.
- Contribute to audit quality and adherence to professional standards.
- Support the development of junior team members (if applicable).

- Participate in training and proactively develop audit-related expertise.

Job Offer

- Diverse audit exposure across functions in a global organization.
- Supportive, collaborative team with a strong learning culture.
- Opportunities to contribute and grow into senior roles.
- Hybrid work model and competitive benefits.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Carl Iso +818046764473.

Required Skills

- Experience in audit, internal controls, or risk management.
- Experience in the financial sector is a plus.
- Strong analytical, communication, and report writing skills.
- Ability to work both independently and in cross-functional teams.
- Fluent in Japanese and Business level English
- Demonstrating resilience, adaptability, curiosity, and empathy.

Preferred Qualifications:

- CIA, CPA, or internal control certifications.
 - Funding support is available for relevant certifications.
