Job Description

This is a great entry-to-mid level opportunity for professionals looking to grow their career in internal audit. You'll support audits across Finance, HR, Procurement, and other corporate areas, working in a diverse, international team with access to global training and certification pathways.

Client Details

Our client is a leading global insurer with a strong audit culture and a commitment to diversity, inclusion, and professional development. The internal audit function partners closely with regional and global offices, offering excellent learning and career growth opportunities.

Description

- Support audit planning, fieldwork, and reporting across corporate functions.
- Conduct risk-based testing and document results in audit workpapers.
- Assist in evaluating internal controls and operational effectiveness.
- Collaborate with team members on audit findings and improvement areas.
- Contribute to audit reports and participate in stakeholder discussions.
- Learn and apply internal audit methodology in day-to-day assignments.

Job Offer

- Hands-on audit experience in a global financial institution.
- Support for certification (CIA, CPA) and English skill development.
- Collaborative, inclusive team culture with global exposure.
- Competitive benefits and hybrid work flexibility.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Carl Iso +818046764473.

Required Skills

- Some experience in internal audit, finance, or control-related roles.
- Logical thinking, strong attention to detail, and a proactive attitude.
- Basic understanding of internal controls and risk frameworks.
- Native-level Japanese; English reading/writing skills preferred.
- Proficient in Word, Excel, and PowerPoint.

Preferred Qualifications & Skills:

- Interest in pursuing CIA or CPA certification.
 - Experience in insurance or financial services a plus.
 - Willingness to learn new tools and methodologies (e.g., data analysis).
 - Curiosity to understand the business beyond assigned audits.
