Job Description

You will be responsible for designing a wide range of promotional materials-both offline (such as store displays, signage, flyers, and event fixtures) and online (including product banners for official pages, online stores, and social media). In addition to using materials provided by the head office, you'll create localized designs tailored to the Japanese market and users, making this a challenging and rewarding role.

Client Details

Our client is globally well-known for their high quality gadgets. The products ranges from gaming laptop, smartphones, tablets, monitors and computer accessories.

Description

- Design promotional materials: POP, signage, catalogs, and flyers for electronics retailers
- Create product pages for online and EC mass retailers
- Design event materials: posters, flyers, handouts, and display fixtures
- Develop product concept art and introduction banners
- Design assets for the company's official website and social media
- Support branding through various visual design projects

Job Offer

- Competitive salary range of approximately 4,500,000 - 7,000,000 JPY.
- Opportunity to work with a diverse and talented team.
- Vibrant company culture that values creativity and innovation.
- Office based in the bustling city of Tokyo.

We encourage all qualified candidates who are passionate about design and eager to make an impact in the Technology & Telecoms industry to apply.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Dany Limatibul on +81364021597.

Required Skills

A successful Graphic Designer should have:

- 3 years of work experience as a graphic designer Minimum
 - Working experience using Adobe's creative production tools (Adobe Illustrator or Photoshop Premiere)
 - High Japanese proficiency
 - English or Chinese language skills are a plus
-
