募集要項

Support a major PC migration project for one of the top banks in Europe. You will be using both Japanese and English working in an international team. This job is a FIXED contract for a 1-year project.

Client Details

With over 100 years of history, our client is not only one of the largest in Europe, but also one of the largest banks in the world. Operating in over 50 countries with millions of users all over the globe, you will be working in a truly international environment in a company that is an undisputed titan of its field.

Description

- Physically set up computers and software system installation (laptop kitting)
- Communicate with both end-users and external vendors
- Perform daily service desk duties and gather feedback from users

Job Offer

- Work for one of the most famous and prestigious banking companies in the world
- An international environment

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Patrick Phan on +81 3 6832 8925.

スキル・資格

- 2 to 5 years of IT support experience, experience in the financial services industry is a HUGE plus
 - Familiarity with a Windows 10 environment
 - Basic project management/scheduling skills VERY nice to have
 - Business-level Japanese and English is a MUST
-
